Religion

Be My Disciples is our new Religion series! The series invites children to discipleship, teaches scripture, doctrine, and celebration, and challenges students to integrate faith and life.

Math

We will be using the ***Go Math*** series from Houghton Mifflin along with designated websites and apps! Along with new concepts taught, computation, problem solving strategies, and critical thinking skills will be practice daily.

Reading & Language Arts

Houghton Mifflin Harcourt: ***Journeys***, consists of six exciting themes!

Loyola Press: ***Voyages in English***, this series incorporates grammar and writing. We will also work with the Accelerated Reading Program.

Sadler – Oxford ***Vocabulary Workshop*** will be used to enhance student's vocabulary.

Science

We will be using the exciting and challenging series by Harcourt! We will focus on Earth, Life, and Physical Science!

Social Studies

Scott Foresman: ***The United States*** begins with the migrations to the Americas and concludes with the American Revolution.
