

Saint Jude Catholic School

Syllabus K-2 Music

Objectives:

Development of a singing voice.

Basic skills in performance of the instrumental music.

Involved music listening and appreciation.

Recognition of the basic elements of music such as:

- Rhythmic patterns and values,
- High and low pitch,
- Loud and soft sound.

This should be accomplished through singing, listening to music (recorded or performed live,) playing musical instruments, organized body movement, dance, drawing, writing, construction and other means of creativity.

Procedures:

Distribution of weekly coloring handouts related to music history, music theory, current seasonal and religious events.

Using body language to make songs animated and more memorable.

Providing appropriate music instruments.

Relating religion and other subjects through songs.

Maintaining discipline through rewards.

Demonstrating various instruments used by professional musicians.

Attentive listening to recorded music.

Attentive listening to music performed live.

Rehearsing music for extracurricular religious and school events.
